

COMMITTEES & WORKGROUPS

02

ACWA's committees and workgroups are the engine of the association and are key players in helping to develop comments and input on key EPA activities; as well as share best practices and knowledge with state peers. To maximize your ACWA membership, your staff should join relevant groups via Member365,, our State/Interstate only web portal. Contact Member Services for support.

- EPA Planning, Program Guidance, & Metrics - [Trevor Baggioire \(AZ\)](#)
- Environmental Justice - [Melanie Davenport \(VA\)](#)
