

2018 National Stormwater Roundtable

February 20 - 23, 2018 Atlanta, Georgia

Purpose:

The 2018 National Stormwater Roundtable supports implementation of federal and state municipal, industrial, and construction stormwater programs nationwide by sharing best management practices, showcasing innovative state programs and initiatives, highlighting new technologies, facilitating discussion on national program enhancements and improvements, identifying state resource needs including tools, training and guidance, and proposing solutions to challenges and barriers faced by the regulators and other stakeholders.

Attendees:

The Stormwater Roundtable is national meeting specifically organized by state and federal regulators for EPA and state program staff representatives. Attendees include:

- State managers, permit writers, inspectors, and compliance staff involved in managing and regulating stormwater
- EPA Headquarter and Regional staff involved in stormwater regulation
- Partnering state and federal agency staff that provide technical and/or regulatory assistance to the stormwater program
- Invited guests

Hotel:

Fairfield Inn & Suites, 54 Peachtree Street SW, Atlanta, Georgia 30303

3:45 - 5:15 PM Programmatic Breakout Discussions

Tables will be set up by programs (Municipal, Industrial, Construction) to allow participants from the same program area to discuss issues and challenges they face on a

daily basis. Each table will report out the next day with a summary of the issues discussed.

1. Identify a speaker from your table to report out on the discussions.
2. Each participant at the table should identify and/or confirm their top **1** or **2** program challenges.
3. The group should discuss ways EPA HQ & Regions might be helpful in addressing some of these issues
