ACWA SCHOLARSHIPS

ACWA offers a limited number of scholarships for state travel support to ACWA state members who would not otherwise be able to send a representative to an ACWA meeting. Preference will be given to member organizations that have not been able to send a representative to a Mid-Year or Annual Meeting in several years and Members who are seeking assistance to bring another staff member to the meeting who would not otherwise be able to attend. The scholarships will cover meeting registration fee, airfare, local travel, hotel and associated taxes.

To apply for a scholarship, please contact Sean Rolland, Deputy Director, at srolland@acwa-us.org or (202) 465-7179.

The deadline for submissions for the 2018 ACWA Mid-Year Meeting is February 20, 2018.
