2021 National Pretreatment Virtual Meeting

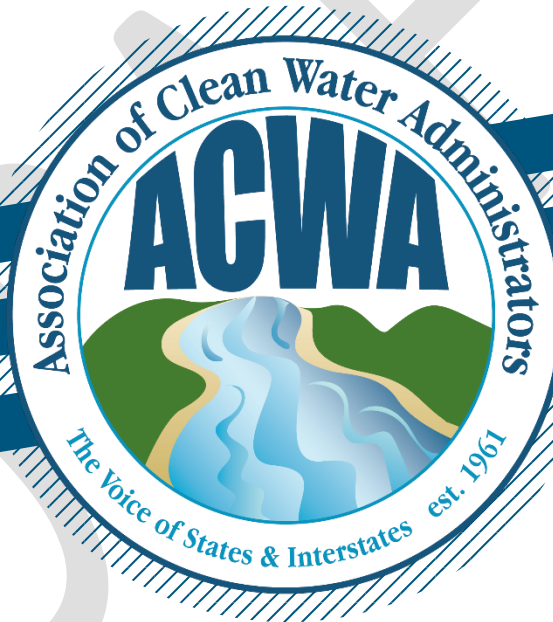

May 20-21, 2021

The 2021 National Pretreatment Meeting brings together state and federal permitting and pretreatment personnel and other pretreatment stakeholders. The meeting will engage participants in program visioning, identify ways to improve permit quality, highlight emerging technologies and discuss how practitioners can better leverage technology, and foster closer coordination and collaboration between state and federal practitioners and other stakeholders.

Attendees:

The 2020 National Pretreatment Meeting is a national event specifically organized by state and federal regulators for EPA and state program staff representatives. Attendees include:

- State program staff involved in managing pretreatment programs
- EPA Headquarters and Regional staff involved in pretreatment program management
- Partnering state and federal agency staff that provide technical and/or regulatory assistance to pretreatment programs
- Invited guests

SPECIAL THANKS TO

The United States Environmental Protection Agency, the National Association of Clean Water Agencies, and the 2021 National Pretreatment Meeting Planning Committee for helping to develop agendas for this weeklong virtual event.
